Network Health Insurance Corporation - Network Platinum*Plus* Pharmacy, Network Platinum*Premier* Pharmacy, Network*Cares* and Network Platinum*Select* Pharmacy Directory

## Introduction

This booklet provides a list of Network Platinum*Plus* Pharmacy, Network Platinum*Premier* Pharmacy, Network*Cares* and Network Platinum*Select*'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Network Platinum*Plus* Pharmacy, Network Platinum*Premier* Pharmacy, Network*Cares* and Network Platinum*Select*'s formulary. If you have additional questions, please call our Customer Service at 1-800-316-3107, 24 hours a day/7 days a week. TTY/TDD Users should call 1-800-899-2114. Or, visit [www.NPPDrugPlans.com](http://www.NPPDrugPlans.com).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Network Platinum*Plus* Pharmacy, Network Platinum*Premier* Pharmacy, Network*Cares* and Network Platinum*Select*. In most cases, your prescriptions are covered under Network Platinum*Plus* Pharmacy, Network Platinum*Premier* Pharmacy, Network*Cares* and Network Platinum*Select* only if they are filled at a network pharmacy [or through our mail order pharmacy service]. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

“Preferred pharmacies” are pharmacies in our network in which our Plan has negotiated lower cost-sharing for its plan members for covered prescription drugs than at “non-preferred pharmacies”. However, you will still have access to lower drug prices at “non-preferred pharmacies” than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs.

## Network Platinum*Plus* Pharmacy, Network Platinum*Premier* Pharmacy, Network*Cares* and Network Platinum*Select*'s Network Pharmacies
